

Longfield Medical Centre & Tollesbury Surgery are looking to support two wonderful local charities - The Café in St. Peter's Hospital & Maldon Food Bank,

The Café at St Peters Hospital are very kindly putting together festive food boxes for older people this Christmas and it would be great if anyone could help by putting together a shoebox / basket or individual items of the following:

Tinned Goods - meat, vegetables, fruit

Biscuits, tea, coffee etc.

Xmas Treats - Chocolates, Xmas Cake, Xmas Pudding, mini bottle of wine etc.

Brand new socks, gloves, scarves, hats

And if there are any knitters ... a blanket would be great!

Please drop completed festive boxes or any donations to Longfield Medical Centre or Tollesbury Surgery and we will deliver all donations to The Café in St. Peter's. Last Christmas the festive food boxes were hand delivered across the Maldon Districts on the run up to Christmas to those in need and each one was very greatly appreciated by the recipient ❤️

We will also share donations with Maldon Food Bank who have been a great support for our patients through the toughest of times.

Donation boxes will be available at both reception areas as of Monday 8th November 2021.

Thank you xx ❤️
